

RITIK SRIVASTAVA

FULL STACK DEVELOPER

Bengaluru, Karnataka, India · hi@ritik.me · linkedin.com/in/itzzritik · github.com/itzzritik · ritik.me

Not just writing code - crafting resilient systems that breathe, scale, and adapt with users at core, delivering high-performance results with real-world impact

PROFESSIONAL EXPERIENCE

Adeptmind

FEB 2024 – PRESENT

Full Stack Developer

- Engineered an end-to-end AI-powered blogging platform, automating content generation based on trending topics to drive organic traffic
- Developed a dynamic templating engine rendering components from JSON data, paired with a custom drag-and-drop editor (Vue/React) to streamline content workflows
- Optimized search and discovery infrastructure for e-commerce client platforms, enhancing data retrieval speeds
- Tech:** Vue, React, Python, Django, PostgreSQL, Redis, Docker, OpenAI

Plivo

JUL 2022 – FEB 2024

Full Stack Developer

- Delivered critical features for Contacto, a complex web and Electron-based omnichannel communication platform
- Achieved a 25% reduction in UI issues by resolving cross-browser compatibility challenges and optimizing frontend performance
- Architected a robust Role-Based Access Control (RBAC) system, ensuring precise user permission management across the platform
- Tech:** React, Vue, Electron, Redis, Jenkins, SCSS

Societe Generale Global Solution Centre

DEC 2020 – JUL 2022

Full Stack Developer

- Spearheaded the technical setup for SG's inaugural branch launch in India, executing seamless service migrations with zero production defects
- Designed and built core financial features for loan processing (LoanIQ and LoanSAT) using Java Spring Boot and Angular, significantly improving operational efficiency
- Tech:** Java 11, Spring Boot, Angular, SQL, Docker, AWS

Postman

DEC 2019 – JUN 2020

Full Stack Developer

- Optimized the App Release Service responsible for delivering seamless updates and packages to a massive user base of 35M+ global users
- Developed scalable design systems and integrated dynamic color schemes into the core Electron desktop application
- Tech:** React, Node, Express, Electron, Mongo, Redis

EDUCATION

Vellore Institute of Technology

2016 – 2020

Bachelor of Technology - BTech, Computer Science · 8 CGPA

SKILLS

Skills: TypeScript, JavaScript, Java, Python, Node.js, React.js, Next.js, Vue.js, NestJS, React Native, Express.js, Django, SQL, MongoDB, Redis

ACHIEVEMENTS

- National Rank 1 in SabreHack 2019** · Sabre India
- Rank 1 in Bootcamp, E-Summit** · IIT Madras
- National Rank 3 in TATA Grand IoT Challenge** · TATA Communications
- Represented India in German-Indian Startup Exchange Program** · German Indian Startup Exchange Program
